We cannot provide you with the names or details of the ticket bookers due to GDPR regulations.

We charge a sliding scale booking fee on every ticket which is included in the final on sale ticket price.

The Riverfront's Front of House and Usher teams will work your event to ensure audience safety. You must bring your own chaperones for backstage; however our staff must work front of house.

All dance and drama schools should apply for a BOPA from the local council services. Your own chaperones should be licenced and at the correct ratio which is determined by age group.

For your show or event PRS will be charged at the current rates.

If you are using any video footage as part of your performance you need to have obtained the relevant permissions for its use.
